| - <i>GNP 2014</i> | 17-21 February 2014 |

PAPERS

Full papers should be submitted by 30 November 2013 (on-line submission, via www.gnp.ac.me). Detailed *Instruction for paper preparation and submission*, which is available at www.gnp.ac.me, must be respected in whole. All papers will be reviewed (at least by two reviewers, members of *GNP 2014* Scientific Committee). Authors will be notified about paper acceptance, rejection or about reviewers' recommendations for paper corrections. Corrected papers will be reviewed again.

Young colleagues – students and engineers born after 1 March 1989 – are invited to submit papers in the special category of *student's paper* (papers will be clearly marked as *student's paper*). Professors and older engineers may not be authors of these papers. All authors and co-authors of papers in this category have to prove their age by (scanned) copy of their id documents (e.g. passport).

Positively reviewed papers, accepted by Scientific Committee, submitted in time (on-line submission, via www.gnp.ac.me; first version: by 30 November 2013; version corrected in line with the reviewers comments: by 15 January 2014) and completely prepared according to the *Instruction for paper preparation and submission* will be published in *GNP 2014* Proceedings. Registration fee payment proof must also be submitted (e-mail submission, via gnp@ac.me), in order the paper to be included in the Conference Proceedings.

PAPERS PRESENTATIONS

The presentations will be made either orally (MS PowerPoint) or by poster. Authors should choose the presentation method and inform Organising Committee by 15 January 2014. Further instructions on oral presentation duration and poster size will be available after 15 January 2014. Poster preparation and printing is duty of authors, who should come to the Conference with the printed poster, ready to be exhibited. Oral presentations will be provided with the appropriate time for discussion.

PRESENTATIONS OF COMPANIES AND INSTITUTIONS

Companies and institutions that would like to organise their presentations and exhibitions at the *GNP 2014* Conference should contact Organising Committee by 30 January 2014.

REGISTRATION

Filled in registration form (available at www.gnp.ac.me) should be submitted (by e-mail gnp@ac.me) until 15 January 2014.

Registration fees are:

- 120 EUR, before 31 December 2013,
- 150 EUR, after 31 December 2013.

Authors of papers in the category *student's paper* do not have to pay registration fee.

ABOUT ŽABLJAK

Situated at 1456 m above the sea level, Žabljak is the town at the highest altitude in the Balkan and the metropolis of mountain tourism in Montenegro. On the slopes of Durmitor there are ski runs for excellent skiers, but also for ski-beginners. Good conditions for fun and recreation in snow are expected in February. Apart from ski or snow-board activities, guests might enjoy snowy walks in beautiful countryside. A rest and tasteful meal in excellent, authentic restaurants with national cuisine would be welcomed after outdoor activities in gorgeous natural resort of Durmitor. More on www.gnp.ac.me.
